Booths Pinot Grigio Delle Venezie

Description	The mature vineyards of the Venezie region, in north east Italy, produce the Pinot Grigio grapes which are used to make this dry, refreshing wine.
Tasting Notes	The dusky, pink-skinned grapes are harvested by hand in autumn and the finished wine is medium-bodied with gentle aromas of lemon, peach and baked apple. It has plenty of fresh, lively acidity and rounder underlying notes of orchard fruits, with enough richness to take it beyond the apéritif glass.
Recommendations	Try it with poached salmon and seafood or match it with poultry roasted with lemon and herbs.
